Thank you. I'll get this logged in and will try to have things run as concurrently as possible. I can't guarantee that the disciplinary system will be moving very smoothly right now but the Court seems to be moving on some things.

Subject: [EXT]Reciprocal Discipline - Texas

Dear Mr. Ross:

Pursuant to our agreement, I am tendering to you a copy of the agreed judgment that has been reached in Texas case, which is identical to the discipline pending against me in Washington D.C. in Board Docket 19-BD-045. By this correspondence, you are notified that I consent to reciprocal discipline in the District of Columbia. it is my understanding that I have been on interim suspension for some time and I am not sure of the period of time that I have been on interim suspension can be credited toward any portion of reciprocal discipline to be imposed. I am available by telephone at 940-305-9242 if you wish to discuss.

Naturally, once I receive a copy of a fully signed order, I will provide you with a copy. I simply wanted to provide you with what was agreed to in Texas in advance because, as I am sure you can understand, I am quite upset about any discipline being imposed for a crime that I did not commit and am eager to put this matter behind me.

.
